

# Assignment Project 0 “Matlab Warm-up”

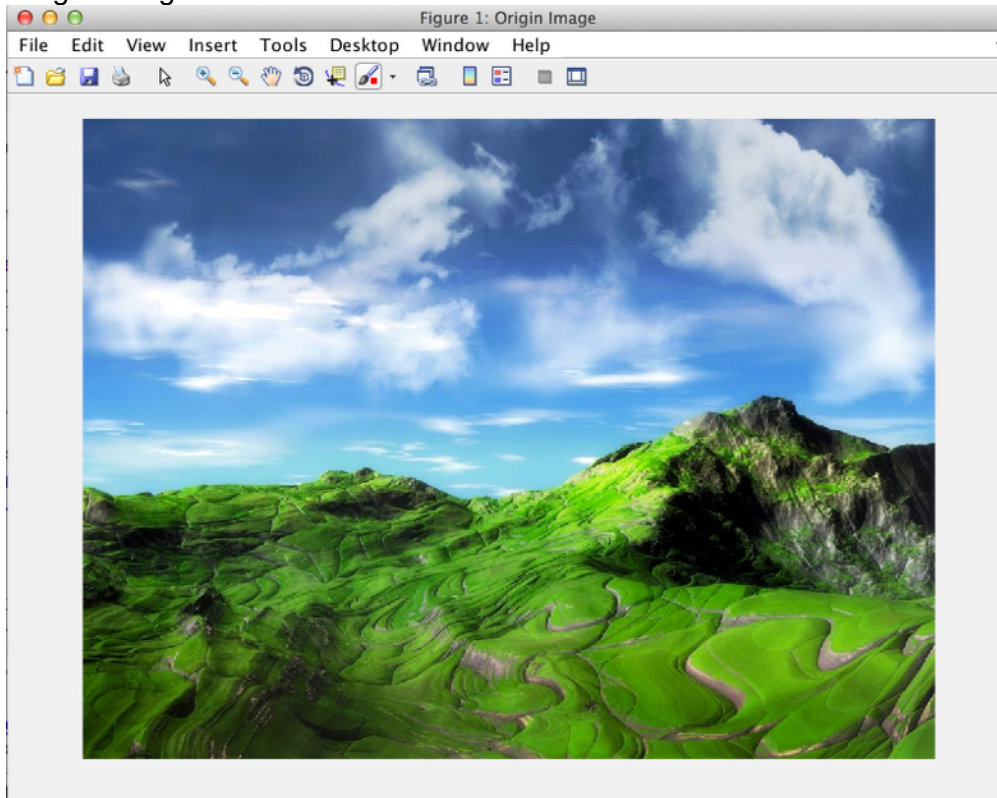

Name: Yunfeng Wei

CWID: 10394963

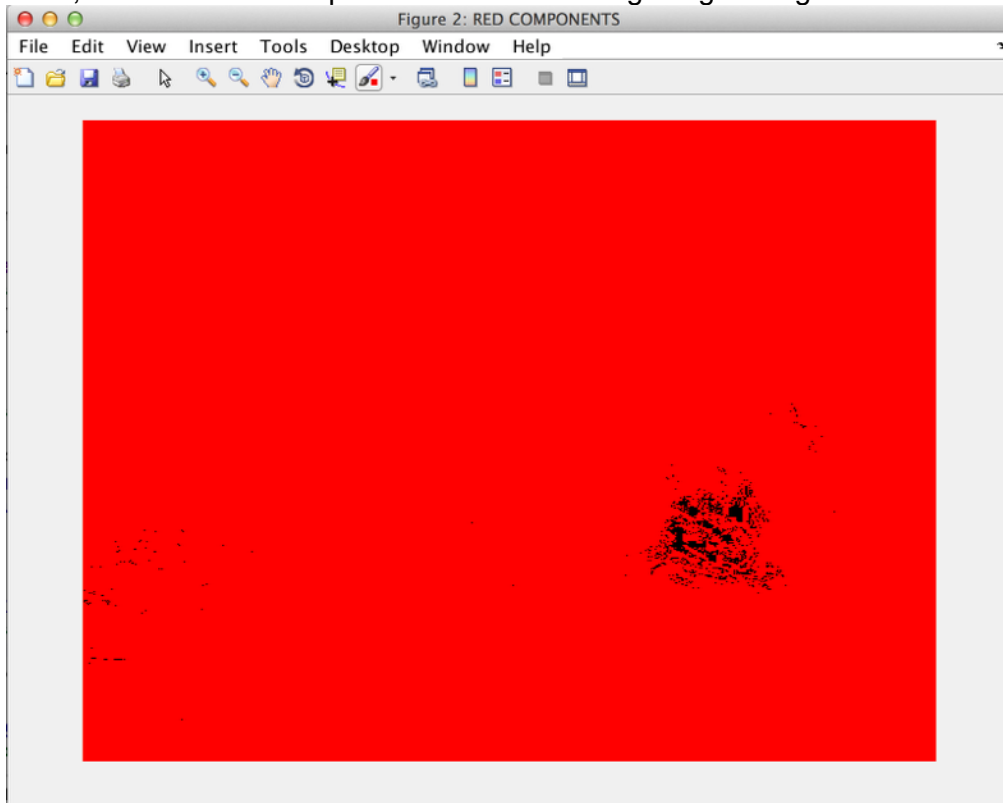

E-mail: [ywei14@steven.edu](mailto:ywei14@steven.edu)

Report:

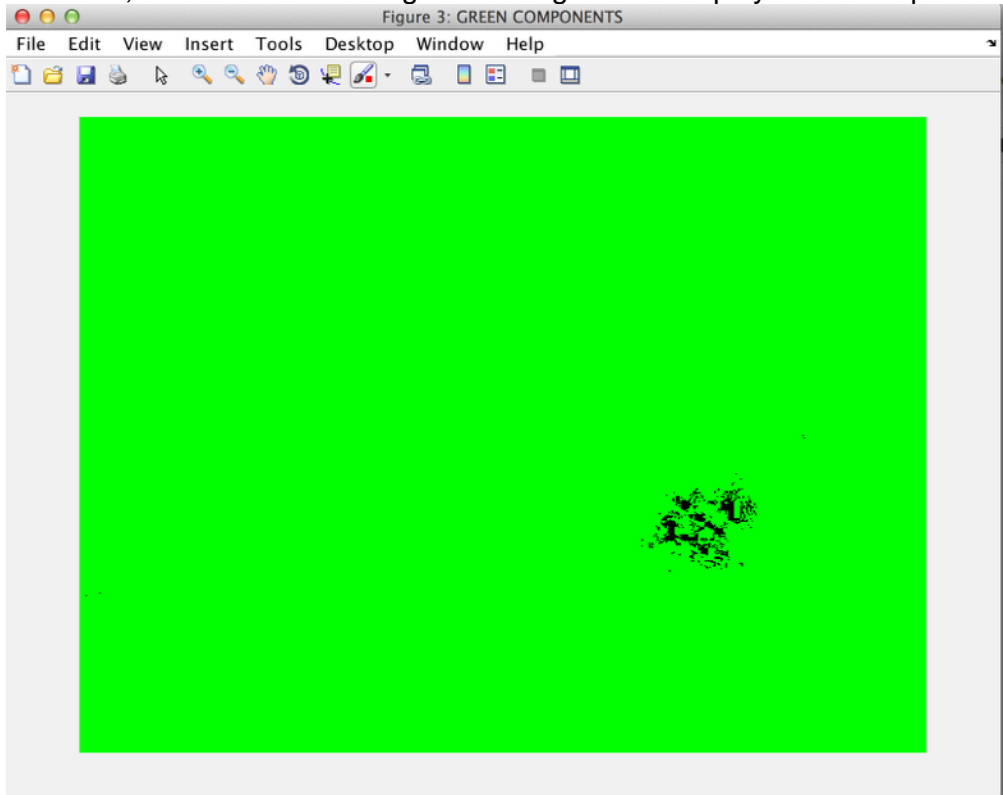

1. In the project, I choose the following picture as the color image to be used. I display the image on Figure 1.

2. Then, I create the R components as the following image in Figure 2:

3. After that, I create another image called Figure 3 to display the G components:

4. Finally, I create the Figure 4 to display the B components:
